2011 LEGISLATIVE VISITS

It's again time to plan visits to legislators! **Tuesdays and Thursdays** are the days we most need coverage because that's when the transportation committees meet; however, if another day is more convenient, feel free to sign up for that day. Please select at least one of the available dates and send details to easter@easterassociates.com or fax this page to 434.979.2439 by **Thursday, January 6** to develop a master list that we will post online at www.odhca.com.
