**Annual dues include 30% voluntary contribution to the Association's Political Action Committee. You may contribute more or less than the amount shown. If you decide not to contribute to the PAC, that does not reduce the amount of your annual dues payment. Virginia election laws allow corporate contributions to be used in state elections, however, corporate contributions to candidates or political action committees are not tax deductible. Dues payments are deductible by members as an ordinary business expense. However, the 1993 Federal Budget Reconciliation Act proclaimed that lobbying expenses are not deductible by individuals and corporations. Accordingly, 51% of your dues are not deductible as a business expense. Contributions or gifts to the Association are not deductible as charitable contributions for federal income tax purposes.*
